# About Sunrise Foods

*"I came to America because my cousin said there were opportunities unlike any known in Taiwan or Korea . My dream was to own a restaurant, but after I came to Chicago and saw (chains) with thousands of restaurants under the same name, I believed there were possibilities to make Chinese dining available on a big scale..."*

**-Mark Pi - Founder of Mark Pi's Restaurants and Sunrise Foods Inc.**

**Vision:**  
To be the preferred world-class food manufacturer, serving happiness every day.

**Mission:**  
To fulfill and nourish the needs of our customers, coworkers, and community...  
one bite at a time.

1973

Mark Pi Sr. came to the USA with \$50 in his pocket

1980

The first Mark Pi restaurant opened

1981

Mark Pi Sr entered into the Guinness Book of World Records for making 1,024 noodles, in 60 seconds

1982

Created a Commissary in Toledo, Ohio to support the restaurant growth

1997

Moved the commissary to Columbus, Ohio and Sunrise Foods was born

2005

Increased customer base by servicing other food service customers outside of the Mark Pi Restaurants

2012

Mark Pi Jr took over as President of Sunrise Foods

2016

A fire in a neighboring business spread and devastated Sunrise's entire plant

2018

Sunrise started production in new facility while retaining over 90% of their customer base

2022

Sunrise continues to service customers amid the COVID pandemic
